

ATTENTION MOUNT PENN RESDIENTS:

PennDOT will be performing a pavement rehabilitation project on Perkiomen Avenue beginning at Nineteenth Street and continuing East through Mount Penn. The project consisting of some existing curb replacement, construction of handicapped curb ramps, traffic signal updates, and street reconstruction is proposed to begin in May of 2018 and extend into November of 2019, primarily between the hours of 7:00 AM and 3:00 PM.

As we strive to upgrade and improve our community we may experience some inconveniences, such as parking and cross streets being closed at times. We ask for your patience.

Updates will be posted on Facebook and the Borough website as they are received.

PennDOT has established a hotline to answer questions and address concerns during the construction. 610-871-4100
