

May 1, 2018

ATTENTION MOUNT PENN RESDIENTS:

PennDOT will be performing a pavement rehabilitation project on Perkiomen Avenue beginning at Nineteenth Street and continuing East thorough Mount Penn into the Borough of Saint Lawrence and Exeter Township.

The work will consist of some existing curb replacement, construction of handicapped curb ramps, traffic signal updates, and street reconstruction. The project is proposed to begin in May of 2018 and extend into November of 2019. The contractor will perform the majority of the work during the hours of 7:00 AM and 3:00 PM.

Parking restrictions and road closures may occur during working hours; these restrictions will be posted by the contractor. Emergency vehicles will have access at all times. Access will be provided to all businesses. Cross streets may be closed during construction.

PennDOT has established a hotline to answer questions and address concerns during the construction. 610-871-4100

Updates will be posted on Facebook and the Borough website as they are received.
